ART UNIT 3662

Art Unit: 3662

1. The following is an examiner's statement of reasons for allowance:

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicant's claimed "method ... of generating an alert to an incoming radar signal ..." as set forth in independent claim 1 that is particularly characterized at least by part (b) of claim 1 taken in the overall context of independent claim 1.

Dependent claims 2-10 are allowable for at least the reasons for which claim 1 is allowable.

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicant's claimed "method ... of generating an alert to an incoming radar signal ..." as set forth in independent claim 11 that is particularly characterized at least by part (b) of claim 11 taken in the overall context of independent claim 11.

Dependent claims 12-17 are allowable for at least the reasons for which claim 11 is allowable.

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicant's claimed "radar detector for alerting an operator of a motor vehicle ..." as set forth in independent claim 18 that is particularly characterized at least by part (c) of claim 18 taken in the overall context of independent claim 18.

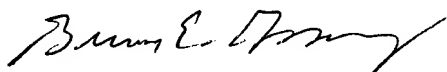

Dependent claims 19-21 are allowable for at least the reasons for which claim 18 is allowable.

Art Unit: 3662

In part (c) of claim 18, the phrase "operable to provide the microprocessor with data" has been read by the examiner as a clear and definite statement of a cooperative relationship between the claimed "global positioning system receiver" and the claimed "microprocessor."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bernarr Gregory whose telephone number is (703) 306-5765.
